EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Erickson on March 28, 2005.

The application has been amended as follows:

IN THE CLAIMS:

Claim 12, line 10, [and] was deleted;

last line, after "channel", --- ; and further comprising a handle positioned in a side of the work surface, the handle moveable between a retracted position within the work surface and an extended position away from the work surface, wherein in the extended position the handle having a top edge generally flush with the work surface --- was inserted.

Claim 27, line 5, [and] was deleted;

last line, after "bars", --- ; and further comprising a handle positioned in a side of the work surface, the handle moveable between a retracted position within the work surface and an extended position away from the work surface, wherein in the extended position the handle having a top edge generally flush with the work surface --- was inserted.

Claim 13 has been canceled.

Claims 14-16, first line, "13" was changed to "12".

The following is an examiner's statement of reasons for allowance: the prior art of record fails to show or fairly suggest a work table with a work surface having two parallel bars extending there across with a power tool slidable along the bars with a retractable handle extending into a side of the work surface.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eileen P Morgan whose telephone number is 571.272.4488. The examiner can normally be reached on Tuesday-Thursday (Office), Friday (Work at home).
